The Fort Worth Nature Center and Refuge has worked with the Education Learning Center Region XI and [Connect2Texas](#) for many years offering natural history related programs for schools throughout the state, country and even the world. If you are a teacher looking to schedule a program that lines up with your **TEKS**, please log on to **Conn**

ect2Texas

to register for

[our programs](#)

and scroll down to

Fort Worth Nature Center and Refuge

in the

Provider

section. If that time and day does not work for you, please give us a call at

(817) 392-7410

and we would be happy to assist you with programming and information about each program.
